

Saltisford Church is an independent evangelical church based in Warwick with a thriving multi-age community. We have got an exciting new opportunity for a **Youth Worker** (full-time) to complement our existing leadership team and develop our rapidly growing youth work.

The right person will be dedicated to their own walk with God and passionate about teaching and encouraging young people to come to know Christ and grow as disciples. Formal bible college training would be desirable along with a proven track record in youth work.

We currently run a wide range of youth ministries ranging from church based groups to detached youth outreach. The activities are well attended and supported by good numbers of leaders. The Church based clubs cater for about 50% un-churched youth.

In addition to the primary role of getting alongside the young people, responsibilities will include developing the overall vision for youth work as well as equipping and supporting the existing youth leadership teams. As a member of the church staff there would be the opportunity to share in some of the wider church leadership.

If you are passionate about winning young people for Christ, please apply.

Salary £23-26K, depending on experience
