

Have you a passion to evangelise and disciple young people?

Banstead Baptist Church (Undenominational)

Needed – a Youth Pastor to provide leadership to the vital area of ministry and outreach to those aged 11 to 18. Our current Youth Minister is moving on after four years and we are looking for someone to build on what has been achieved.

The position requires someone with leadership skills and who has a proven track record in youth ministry.

Being a competent Bible teacher with the ability to enable young people to move on and mature in their Christian lives are key attributes.

We are looking for someone with a deep desire to share the gospel with unchurched young people and provide a positive Biblical role model of Christian living.

We are a Bible teaching, independent church based in a large suburban village 14 miles from central London. We have committed ourselves to growing by direct evangelism and discipleship training. The youth ministry plays a key role in the desire to reach out to all ages in our local community.

If you think you have something to offer and would like to know more, please contact Nigel Sewell, Pastoral Administrator (email: nigel.sewell@mac.com mobile: 07786 935356)
